Totem Rentals, Inc. is your all Alaskan full service equipment rental yard. As the rental arm for Totem Equipment & Supply we have been in the Alaskan construction industry for over 50 years. We have products for all phases and types of construction and industrial projects. All of our equipment is offered for sale and we will gladly apply a portion of the rental to the purchase

Fab Shop

At Totem Equipment, our fabrication shop is world famous for its innovation and quality. Our products have been accepted with rave reviews from Russia to Iraq and from the North Slope of Alaska to Korea. Totem is the birthplace of the famous Totem 10 heater trailers. We are constantly improving and improvising our product lines. If you can think it up we can build it

Service & Parts

At Totem, we always service what we sell. We can locate those hard to find parts for your equipment. We are your factory authorized source for parts and service for over 100 of the top lines in the industry.

Delivery

Totem Rentals can deliver your rental equipment to your jobsite, home, or freight forwarders. Our fleet of drivers can also perform moves for your personal equipment.

Rates:

Delivery and pickup w/ 1-ton truck & trailer: \$150.00 round trip in town
(\$150.00 per hour long distance)

\$200.00 per hour for Tractor/Trailer moves
